Thanks for your interest! Bids must be in by 3:00. Bids will be in \$100.00 increments until \$2500.00 then it will go by \$250.00. We will post a sale order by October 21st on the website. At 3:00 we will start with the first lot and work thru the sale quickly. You must be her or available on the phone or we will have to move on without you. We believe our customers appreciate getting the sale complete as soon as possible without taking 2 or 3 days so we will continue our traditional process. If you want to move down to another lot in the sale order you are eligible to do so just make sure you tell us when your original lot is done. We will do what we can to work with you on transportation. With several sales on the same day we can work with the other producers to coordinate rides. They are your responsibility once the sale is complete.
